WHEREAS, funds have been established pursuant to Public Resources Code Section 43230 and are available from the California Department of Resources, Recycling and Recovery account for grants to Local Enforcement Agencies to support solid waste facilities permit and inspection programs; and

WHEREAS, Public Resources Code Section 48100 et seq. authorizes the California Department of Resources, Recycling and Recovery (CalRecycle) to award grants to cities, counties, resource conservation districts, and federally-recognized Native American tribes for the cleanup of illegal disposal sites on farm and ranch property; and

WHEREAS, funds are allocated and available from CalRecycle for grants to solid waste Local Enforcement Agencies and counties with regulatory authority within the city and county government to perform enforcement, compliance, and surveillance activities concerning waste tires; and

WHEREAS, CalRecycle has been delegated the responsibility for the administration of the programs within the State, setting up necessary procedures governing application by cities and counties; and

WHEREAS, Placer County will continue to enter into agreements with the State of California for implementation of these solid waste and waste tire services; and

WHEREAS, CalRecycle requires as a condition of application that the applicant authorizes by resolution certain matters for submission of the grant applications,

BE IT RESOLVED, by the Board of Supervisors, County of Placer, State of California, that the Director of Environmental Health Division, or Designee, is authorized to submit all necessary grant applications to the California Department of Resources, Recycling and Recovery, and to sign any contracts, agreements, payment requests, and amendments for the purposes of securing these grant funds for the period of July 1, 2023 through June 30, 2028, with the additional option to extend through October 31, 2028.
